

The Land of Goshen Community Market

2013 MASTER MAP

- Most vendors will have pop-up canopies or smaller umbrellas.
- The largest canopy is the 13' octagonal orange "Market Sprouts" tent located by itself on the green space. It has a fire extinguisher.
- The largest canopy is 8' X 12', with the rest being 10' X 10' or smaller.
- The demo tent has heating/cooking equipment on rare occasions; fire extinguisher will then be moved from Mills Apple Farm to Demo tent.
- Electrical service (110V) is run to St. Louis Street vendors from Streetscape light poles.
- P** Electrical service (110V) is run to Expansion Parking Lot vendors from "block party" power box.
- Music power is run from external outlet on the east side of the courthouse.
- E** Fire extinguisher (Type 2A-10BC)
- TP** Telephone pole location for reference
